## Welcome To Exxico Energy Services W.L.L

At Exxico Energy, We believe that the critical success factor is that we provide the right people for a job at the right time and on situation it will never say when. So that is where a partner like us who can help with right resources in place with fluent expertise and the knowledge to fulfill job requirements. Apart from resources, Exxico is well positioned to serve with access to project team with highly skilled resources with suitable technical skills, which makes Exxico Energy the end to end partner for project mobilization and operations.

EXXICO serves as a specialist support agency to help with professional consulting, equipment and other support services to the oil and gas companies. Our portfolio of highly experienced professionals and their in-depth understanding of the industry contributes to fulfilling the gaps in the on-demand resource allocation requirements. This makes us the right partner to work with to provide the best people, at the right time when required, with minimum operational fuss.

While work with Exxico Energy, our clients experience zero hassle and 100% effective. With our global reach, a rich portfolio of the skilled personnel, and our fantastic operational team, we can help to get the right people in time anywhere in the world. Where a role is a permanent job, our team of experienced executive search agents can help to find the right person to meet the job requirement. We will assist with the organization of interviews and allocation of successful candidates if required.

## Message from Director

As we navigate the dynamic landscape of the energy sector, I want to express my gratitude for your unwavering commitment and dedication to Exxico Energy's mission. Your expertise and professionalism have been instrumental in our success as the preferred partner for project mobilization and operations worldwide.

In an environment where change is constant and challenges are inevitable, our ability to provide the right people, with the right skills, at the right time sets us apart. Your relentless pursuit of excellence and your unwavering focus on client satisfaction have been the cornerstone of our achievements.

As we look ahead, let us continue to innovate, collaborate, and exceed expectations. Together, we will not only meet the demands of our clients but also pioneer new standards of excellence in the energy industry.

Thank you for your outstanding contributions, and let us march forward with confidence, knowing that our collective efforts will shape a brighter future for Exxico Energy.

## VISION

At Exxico Energy, our vision is to be the global leader in providing unparalleled workforce solutions for the energy sector. We aspire to redefine excellence by consistently delivering the right people, with the right expertise, at the right time.

## MISSION

Our mission at Exxico Energy is to empower our clients with a hassle-free and highly effective workforce experience. We are dedicated to offering seamless solutions, leveraging our global reach, rich portfolio of skilled personnel, and an exceptional operational team. Our commitment extends beyond just resource provision – we strive to be the catalyst for success in project execution.

## Values

EXXICO is committed to comply with the requirement of the customers and to continually improve the effectiveness of the Quality management System.
